February is here.

And two things consistently happen this month...

- a) **84% of men** dash to the nearest grocery store for last-minute Valentine's Day flowers (guilty as charged).
- b) **Infused topical usually sees green monthly returns.**

🌹 ❤️ Valentine's Day isn't just for chocolates and roses anymore!

If you miss the lovey, dovy retail bubble this year, make sure to get your infused topicals and edibles on the display for the next February, folks. Massage oils and bath bombs sold like hotcakes. 🛁 ❤️ 😊 🌿

Whether you're in the business of growing, manufacturing, or retailing cannabis products, this trend is a sweet opportunity you don't want to miss.

3 hot cannabis stocks to watch 🌿 📁

Hey there, green thumbs and stock enthusiasts!

With the winds of legalization sweeping through the U.S. and Canada, countries like Germany, Israel, and Ukraine prescribing a dose of medical cannabis and Latin America lighting up the legalization lamp. It's a whole new world of opportunities for companies ready to grow beyond their borders.

📁 We've spotted a few high-flyers that are gearing up to take the market by storm. From the sunny shores of Florida with **Curaleaf Holdings** making big retail moves, to **Green Thumb Industries** cashing in on consistent profits, and **Cronos Group** cutting down losses like a pro - these are the stocks you might want to stash in your portfolio. 📊 📁

🍁 Big news from the Great White North!

The latest Canadian Cannabis Survey reveals a whopping 69% of cannabis consumers are now choosing legal sources over illicit ones. 🌿 📁

The shift is real – more and more consumers are trusting legal cannabis, marking a victory for the industry! Read the [full post for market insights](#).

Whether you're...

- A grower looking to launch your own brand of cannabis products to sell directly to consumers
- A distributor looking for better lab-scale equipment to improve your processes
- A product manufacturer exploring the possibilities of adding value to products before moving them along the supply chain
- A retailer thinking about launching an in-house artisanal brand of cannabis products

Give Yamato spray dryers a try to turn your ideas into profitable, high-quality products.
